

1) Our enemies will be defeated

(8-10)

**1) How to get involved**

Every now and then we encourage people who have recently joined St. John's to fill in a brief survey so that we can ensure that we are looking after you spiritually and encouraging you in the use of your God-given gifts. So, if that applies to you, please do speak to Andy or email [andy@sjdh.org](mailto:andy@sjdh.org) and he will send you the link.

2) Our boundaries will be extended

(11-13)

**2) Easter Holiday Club (10th-13th April)**

Please pray for the club running all this week, for safety, for fun, for good attendance, and above all, that all the children's would hear about the salvation that can be theirs in the Lord Jesus Christ. Why not invite the children's of your friends and neighbours?

3) Our prayers will be answered

(14-17)

**3) Good Friday Service (14th April, 10:30am)**

Join us for a meditative walk through the Passion narrative of Luke's gospel. Children's activities will be provided downstairs.

**4) Easter Sunday Service (16th April, 10:30am)**

Join us for an all-age celebration of Easter, where a number will be baptised into the faith.

**5) Bible Overview (begins Wednesday 26th April, 7:30pm)**

Does the size and scale of the Bible baffle you? There are 66 books, written over thousands of years, all by countless different authors...and yet...there is one clear and coherent plot line running through it all. If you wish to be equipped to understand how every book of the Bible points us to Jesus (yes, even Zephaniah), join us for our Bible overview next term, every Wednesday night throughout the summer term, meeting at 7:30pm downstairs. Be there and have your mind blown at the scale and beauty of God's salvation plan!

4) Our sin will be forgiven

(18-20)

**6) Confirmation Service (30th April, 6:00pm)**

This will be a fantastic evening to invite guests to with powerful testimonies and an evangelistic message. We encourage the whole church to come! Begins with a light meal.

**7) Gift Sunday update**

Praise God that a total of £9,020 was raised for the ministry of *London City Mission* two weeks ago. We look forward to hearing from LCM about how this gift will be used to advance the gospel amongst the needy in our city.

**"What did you do at the weekend?"**

"I heard a talk about how we can have hope, even in the face of death..."
