Introduction

1) A predicted scenario

2) A practical solution

3) A promised security

For further discussion

- Are we prepared for the false teachers who will come and how will we recognise them?
- What will building ourselves up in our most holy faith and praying in the Holy Spirit look like for us individually and corporately? Which aspects of this do we struggle with?
- Is Jude preaching faith by works in v21. If not what is he teaching?
- What does it mean to be merciful to people like those in v23? In what ways might we get this wrong?
- How do we understand v24-25 more clearly in the light of Jude? What do these verses teach us about why we are saved?
- What do you want to ask God to help you with in light of the message of Jude?
- How as a church can we apply this teaching?
